### **FLAMMABILITY**

Boston Fire Dept. Code (BFD 1x1) w/Fire Blocker and or Fire Barrier Cloth	Pass
California Technical Bulletin 117	Class 1
Cigarette Ignition Resistance (NFPA 260)	Class 1

### **CLEANING INSTRUCTIONS**

Cowhide rugs are resilient by nature and perform well in daily use; even in high traffic areas. Our hair-on-hides are naturally stain resistant. Most liquid spills will remain on the surface long enough to be removed with a damp sponge before any liquid can penetrate the epidermal back. Periodic vacuuming on a medium setting will remove most dirt or debris.
